Lenovo
LOCAL SERVICE AGENT

Avoid the stress, let us help you

Lenovo is the #1 PC manufacturer worldwide. Future Computers is proud to be the authorised Lenovo warranty service agent and Gold Partner for Far North Queensland.

Your PC is an investment that we will take care of for you, with fast turn around times for any warranty-related issues. Be assured we offer the complete sales and service solution. We offer support and we can locally service the higher quality business grade desktops and laptops to match your needs.

Please be advised that we cannot service the consumer range of Lenovo products available from retail chains. These products are locked into national service contracts requiring their products to be sent to Melbourne or Sydney for warranty repairs.

Don't risk productivity loss and inconvenience to your business if your laptop or PC has to be shipped out of state for warranty repairs & placed in a national service queue.
